NOTES/COMMENTS:

I received the following notice of change of power of attorney for serial number 09/539,269, AU number: 2143, Examiner England, David E. My firm did not process a change of power of attorney on this case. I have left several messages at different phone numbers for someone from the patent office to call me and tell me how to correct this and have never received a return phone call. Please direct this to the correct person who can instruct me on how to fix this change that should not have occurred. I am on the West Coast, so if contacted by phone, please do not do so before 11:00 am your time. Thank you. Tanya Parker
